At Jersey City Unleashed, LLC (together with its affiliates, "Jersey City Unleashed"), we strive to provide your dog with excellent care and a fun experience during their stay. We would like to inform you that while dogs are playing together, they run the risk of certain injuries such as scratches, cuts and sprained joints. Such injuries are rare, but do happen at all doggy daycares and sometimes more often than in daycares for children. In addition, while very infrequent, dogs can get into fights even under close supervision. Common areas for bites as a result of these fights are around the snout, ears, tuft of the neck and paws. At Jersey City Unleashed, we have procedures to screen all dogs for aggressive behavior and we do not allow aggressive dogs to play with other dogs. However, even the friendliest of dogs, from Spaniels to Retrievers, can get into fights with other friendly dogs with very little or no warning. Jersey City Unleashed strongly recommends that every owner has health insurance for their dog to avoid high costs of veterinary care in the NYC area.

In addition to injuries, it is possible for dogs to transfer illnesses such as upper respiratory infections and canine cough, even with all required vaccinations and boosters. This is just like at a daycare for children where illnesses such as pink eye and the flu can be transferred from one child to another. Such illnesses do not occur often and all dogs must have the necessary vaccinations prior to check-in.

Parents must know and understand that dogs sometimes do not indicate an injury to us right away, and as a result, you may find an injury when you get home or the next day. When dogs get cuts and scrapes they usually do not start licking the wound until it starts to heal and itch. We pride ourselves on notifying the parents immediately upon finding of an injury. However parents must accept that it is impossible for any doggy day care to catch every cut, scrape and sprain that occurs during play and is not indicated by the dog.

Fencing disclosure: Our outdoor fence is 7.5 feet at its lowest point with a 6 inch overhang at the top, into the property. If you think your dog is capable of getting over this fence you must let us know when registering so that we can provide him or her with indoor play only.

Swimming disclosure: All dogs entering the pool will wear life jackets, and there are swim up steps for entry and exit. We will have a lifeguard in the pool at all times supervising the dogs. Our lifeguards are trained in CPR and assisting dogs if they accidentally get water in their mouths. Even with the necessary precautions and procedures, there is always a risk of injury/drowning associated with pools in general, whether it be a dog pool or a pool for humans. By allowing your dog into the pool area, you accept these risks and will not hold Jersey City Unleashed liable for any injuries.

1. I agree that Jersey City Unleashed will not be liable for any claims of injury, illness, damage or death to my dog during its stay and that under no circumstances will Jersey City Unleashed be liable for consequential damages.
2. I certify that I have informed Jersey City Unleashed of all dog and human aggression. I agree that I am responsible for any harm caused by my dog while in the care of Jersey City Unleashed. I shall indemnify Jersey City Unleashed against any claims made against it or for losses or damages of suffered by Jersey City Unleashed as a result of my dog.
3. I understand that, in the event my dog appears to be ill, injured or at significant risk of experiencing a medical problem, Jersey City Unleashed will attempt to contact me for instructions prior to seeking veterinary care. If I cannot be reached, I agree that Jersey City Unleashed may use its reasonable discretion in seeking veterinary care on my behalf and that I will be responsible for all related expenses. I understand that Jersey City Unleashed will attempt to use my preferred veterinarian, but if my preferred veterinarian is unavailable or other circumstances mandate, I authorize Jersey City Unleashed to use a veterinarian of its choice. I agree that Jersey City Unleashed will not be liable for the actions and decisions of the veterinarian. I also agree to be responsible for any reasonable fees assessed by Jersey City Unleashed for emergency care and transportation.
4. I authorize my veterinarian to share the medical records of my dog with Jersey City Unleashed and other veterinarians. I assume full responsibility for payment of all veterinary services rendered, including, but not limited to, diagnosis, treatment, necessary grooming, medical supplies, transportation and boarding. I agree to make such payments directly to the attending veterinarian or agree to promptly reimburse Jersey City Unleashed if direct payment cannot be made.

This agreement and waiver is valid from the date below until expressly revoked by written notice and grants permission for future veterinary care without the need for additional authorization each time Jersey City Unleashed cares for one or more of my dogs.
